Chapter 7 – Ephesians 5: Marriage

1. What do you think about the idea of both parties in a marriage being mutually submissive to each other rather than the husband having authority over the wife? How have these ideas shaped our culture and perhaps even our own lives?
2. Do you think Ephesians 5 is highlighted enough in the debate about what Bible Says about women, men, and authority? If not then why?
3. What else in this chapter stood out to you or challenged you?
