

'Music of Eternity' Discussion Questions

Session 1: Prevenience: Welcoming God's Coming (God is)

How do you find yourself responding to the idea that God constantly comes to us in unexpected, disguised and inconspicuous ways?

Can you think of an instance recently when God might have been trying to awaken you to His Presence – to His 'comings'?

Can you detect 'melodies of God' playing in your life or that of others? If so, what helps you recognise these?

Where do you see hints of God's ongoing re-creation in your life, in your community and in the world? How might you join in with what God is doing in these places?

What are those 'secrets hidden, desires and tendencies' that you dare not acknowledge, even to yourself? Ask God to reveal them to you.

It's hard to see what God is doing in our lives, but can you think of ways He may have been working in yours over the past year?

How might you become more alert to God's loving Presence day to day? What kinds of things (perhaps concerns, joys or interests) are currently getting in the way of you being more attentive to God's action?
