

‘Music of Eternity’ Discussion Questions

Session 3: Emmanuel: Recognising God’s Coming (Christ Comes)

How real does it feel that Christ is born in you? Are there changes you might make to nurture that life?

Can you think of people who seem to radiate the beauty of Christ’s life? How do they nurture Christ’s presence in their lives?

Have you ever been ‘in charge’ of some form of ‘ministry’ and then, in Evelyn’s words, ‘given’ the ‘results’ to God? How might this excerpt prompt you to work differently in future?

When was the last time you found God rescuing you from an overwhelming situation? Have you recently responded to a call for help? Did you feel exasperated unwillingness, compassionate love or some other reaction?

Try to imagine what might have been going through the disciples’ minds and hearts as they experienced Jesus’ transfiguration. How do you think they were changed?

Looking back over the past year: In what ways did God test your courage and trust? What events tested your supposed good qualities and showed up your weakness under strain? What annoyances helped build up your self-control? All these ‘touches of God’ were chances to grow a little more in the Christian life. Did you take them or waste them?
