

# The National 5<sup>th</sup> Big Church Read

## Discussion Starters

### Session 5 Unleashed Potential

1. Philip was operating in a very fruitful space in Samaria. Is it fruitful where you are? In what ways might your Church be more fruitful?
2. How would you feel if the Lord called you into the desert? Have you heard God's call in the past? What did that mean for your life?
3. Are there places you feel called into but would rather not go?
4. Philip had no idea what that appointment with one individual would lead to: the Gospel going to Africa! Are there individuals in desert places that Jesus is showing you that you need to reach out to?
5. Do we underestimate what God is doing in the small things of our lives? How do you find trusting that God has a higher level view and is working out His plan in our lives?
