

The ^{6th} National Big Church Read

Session 4: Messiah

At the end of Messiah, take a moment to review what we've learned and how it makes sense of life:

What are some of the main differences between the way our culture defines love and the way God's love is revealed through Jesus?

'Messiah' means 'the anointed king'. What is God's kingdom like if Jesus is the one who rules it? Think about the way he treated people, his teaching and his healing ministry.

How would you respond to the question: 'If Jesus was so good, why did he die like a criminal?'

The cross has become the globally recognised logo for the Christian faith. How does this symbol of torture and execution reveal the extent of God's love for us?

What piece of evidence for the resurrection do you find most compelling and why? What difference does it make if Jesus really rose again?

Overall, how has this section on the Messiah helped make sense of life?
