Questions for discussion or reflection

Session 5: The Lord be gracious to you

Are there any ways this chapter has changed you view of repentance?

Have you received God's gift of forgiveness?

What might stop you receiving like a child from God?

If you then, though you are evil, know how to give good gifts to your children, how muc more will your Father in heaven give good gifts to those who ask him!'
Matthew 7:11

Will you respond to God's invitation to you to ask him for his Holy Spirit?
